The Government Training Institute (GTI) was founded in 2003 to address needs of state and local law enforcement agencies throughout the United States. Please let us know how we can assist you. Email us: info@gtitraining.org

In Memory of Fallen Officer

Deputy Sherrif Daniel Browne- Sanchez

GTI offers our respects for the loss of one of our friends and former student, Daniel Browne-Sanchez. Daniel was off duty, when a man entered the restaurant bar with a gun and began firing shot, then demanded money. Daniel was shot while wrestling the man down and disarming him. Our condolences go out to Daniels mother and his agency and friends. He will be greatly missed.

End of Watch: February 10, 2007

Anti Terrorism Force Protection

Department of Defense (DoD) policy requires that all DoD military and civilian personnel and supporting defense contractors receive an Anti Terrorism/Force Protection (AT/FP) briefing before travelling to most destinations outside the United States.

Learn the latest strategies for reducing the vulnerability of individuals and property to terrorist acts in this intensive training program.
