About Government Training Institute (www.gtitraining.org)

GTI was founded in 2003 to address needs of state and local law enforcement agencies throughout the United States with research-based training. Currently, over 30 different courses contain a cooperative curriculum base and ongoing research from the staff of GTI, with 400 years of operational military and law enforcement experience. The Mission of GTI has expanded to include specialized training in the fields of special weapons and tactics, anti-terrorism and terrorism countermeasures, police sniper operations, specialized patrol curriculum for high-risk policing activities, uniformed and undercover narcotics, and a host of other law enforcement and military topics relevant to the Post 9/11 world.
